

March 2010

Spring Time.....

The snow is melting and the grass is growing....

The monthly theme in our classrooms for the month of March is: Spring Time. Each week we will focus on a weekly theme.

The themes are:

- *Spring Shapes*
- *Flowers*
- *Green*
- *In the Sky*
- *Birds, Insects and Bugs*

During these weeks, we encourage family to participate in activities both inside and outside of school.

Calendar

Check out the fun activities to do with your child at home!

We will also be including many of these activities in the classroom so feel free to join in with your child at school!

Remember to wear "Green" during the week we talk about the color

Check out these fun Spring Time ideas....
